LIFE UNIVERSITY TO CONTINUE VIRTUAL TOUR WEBINARS FOR PROSPECTIVE CHIROPRACTIC, GRADUATE AND UNDERGRADUATE STUDENTS

Marietta, Georgia, May 8, 2020 – [Life University](http://www.LIFE.edu) (LIFE) is welcoming prospective chiropractic, graduate and undergraduate students to virtually tour LIFE's campus and participate in webinars about the University's degree offerings. After announcing some upcoming dates back on April 24 and seeing an influx of inquiries and attendees for those tours, the University decided to add more dates to its schedule.

These Virtual Tour Webinars will allow attendees to hear about different major offerings at the University; hear from current students at LIFE; meet other prospective LIFE students; virtually explore the campus; hear about admission requirements; ask questions and get answers from enrollment specialists and students; and apply to the University for free.

“Life University’s Enrollment department decided to release this Virtual Tour platform as a commitment to our prospective students,” says Khrystal Stanley, LIFE’s Director of Enrollment Events & Tours. “We have students that come from all around the world to view our campus. The goal was not to forget about those students – to still have a hand in helping them on their educational journeys.”

Life University is a health sciences institution most known for its [Doctor of Chiropractic program](#), the largest single-campus chiropractic program in the world. LIFE also offers 15 [undergraduate degrees](#) as well as a pre-chiropractic, degree-seeking pathway. Three [graduate degrees](#) are available, encompassing areas of sport health science, clinical nutrition and positive psychology. Some degree programs are offered to distance learners through the [College of Online Education](#).

LIFE's campus in Marietta, Georgia, just northwest of Atlanta, is home to more than 2,700 undergraduate, graduate and professional students who come from all 50 United States and more than 45 countries.

Upcoming Virtual Tour Webinars:

- **Doctor of Chiropractic (all from 10:00-11:30 a.m.)**
 - **May 11, May 18, May 26, June 1 and June 8**
- **Undergraduate (11:00 a.m.-12:30 p.m.)**
