LIFE UNIVERSITY'S "TODAY'S CONVERSATIONS ON LEADERSHIP" (TCL) PODCAST RELEASES THREE NEW EPISODES

Marietta, Georgia, May 19, 2021 – ["Today's Conversations on Leadership"](#) (TCL), a thought leadership podcast from [Life University](#) (LIFE), features discussions with some of the most important voices in the fields of business, education, politics, the military, health and wellness. The podcast's goal is to inspire emerging and current leaders at all levels to pursue greater success and new heights of servant leadership.

TCL debuted in August 2020 and has released 19 episodes to date on an every-other-week schedule. Audio for each episode is available on the [Apple](#) and [Spotify](#) platforms and video versions are posted to the [Life University YouTube channel](#). TCL is hosted by Dr. Gilles LaMarche, LIFE's Vice President of University Advancement and Enrollment.

The three newest episodes feature:

- **Dr. Joe Dispenza**, chiropractic researcher, lecturer, author and corporate consultant ([video](#))
- **Charlie DuBois**, co-developer and co-founder of the 8 Weeks to Wellness® program ([video](#))
- **Dr. Dane Donohue**, President and CEO of Standard Process ([video](#))

Stay tuned for the next TCL episodes releasing this month on the Apple and Spotify podcast platforms. Interested listeners and viewers can subscribe to the audio podcast on their preferred platform and the video podcast on LIFE's YouTube page. Each platform will notify subscribers when a new episode is released.

Founded in 1974, Life University is a health sciences institution most known for its [Doctor of Chiropractic \(D.C.\) program](#), the largest single-campus chiropractic program in the world. Undergraduates can pursue [14 undergraduate degrees](#) as well as a pre-chiropractic, degree-seeking pathway. [Three graduate degrees](#) are available, encompassing areas of sport health science, clinical nutrition and positive psychology. Some degree programs are offered to distance learners through the [College of Online Education](#).

Life University [strives to empower its students](#) to succeed both professionally and personally. LIFE advances a leading-edge approach to higher education while also remaining true to [the University's philosophical commitment](#) to produce informed leaders who exemplify humanistic values in their professions. To achieve this goal, LIFE recognizes and demonstrates its dedication through three official Life University Values: [Lasting Purpose](#), [Vitalism](#) and [Integrity](#).
