

----- PROCLAMATION CITY OF ATLANTA

**Whereas**, Life University was founded in 1974 by a group of prominent chiropractors and started with twenty-two students; and

**Whereas**, Life University sits on a 110-acre campus setting, with over 21,000 alumni, and provides the largest single campus chiropractic college in the world, and the Applied Clinical Neuroscience Institute is looked upon as a leader in vestibular therapy and chiropractic neurology research; and

**Whereas**, during the month of September in honor of the 127th anniversary of the founding of chiropractic, Life University unites the efforts of faculty, staff, alumni, friends, community and corporate leaders, government officials, chiropractic professionals, service organizations, professional associations and affiliates, and institutions from around the world in a month-long celebration of chiropractic research, and

**Whereas**, over the years, Life University has graduated hundreds of distinguished Alumni practicing in the City of Atlanta who have had an impact on health delivery systems. They include: Dr. Leana Kart, North Spine Atlanta on Howell Mill Road; Dr. Johnny Dewayne Brown, Cornerstone Performance Center (formerly Sparlin Clinic) on Dill Avenue, SW; Dr. Albenny Price, Chiropractic Board Examiner with 30 plus years delivering health and wellness in S.W. Atlanta; Drs. Winston & Chantay Carhee, Health Care Providers and Owners of Pain2Wellness Chiropractic Services in S.W. Atlanta; Dr. Cleve Taylor of Fidelity Healthcare in Midtown Atlanta; Dr. Austin Cohen of Corrective Chiropractic in Buckhead; Dr. Bruce Salzinger of Chiropractic Healthcare in Buckhead; Dr. Joseph Fowler, Jr. and Dr. Brandon Williams of Aligned 4 Life; as well as Dr. Mia Walker of Peachtree Center Rehab to name a few;

**And, Whereas**, there are over 500+ Chiropractors who practice in the City of Atlanta and these Chiropractic Providers and Healthcare Leaders have serviced, healed and delivered ~ health and wellness care ~ to over 4+ million patients in the City of Atlanta through chiropractic care.

**Whereas**, numerous people in the State of Georgia and beyond afflicted with dysfunction of the spine and nervous system are helped by the tremendous breakthroughs in neuroscience and chiropractic research, coupled with the dedication of wellness and vitalistic healthcare professionals, and

**Whereas**, Life University Founders Month for Research in support of chiropractic research is a global campaign to increase public awareness of the benefits and progress of chiropractic research and care, and

**Whereas**, we commend the thousands of chiropractic professionals globally who are at the forefront of their profession to understand the complexities of chiropractic research toward healing society's ills one adjustment at a time,

Now therefore, as, I do hereby recognize September 1 - 30, 2022, as Life University Founders Month for Research on this the 127th anniversary of chiropractic.

Proclaimed this 19<sup>th</sup> day of September 2022.

-----

Andre Dickens, Mayor
